

May 14, 2018

Reference: RoHS 3 (Restriction of Hazardous Substances) Compliance

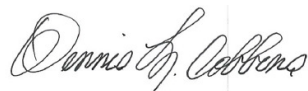

SciCron Technologies, LLC hereby certifies that our:

PC300™ / PC350™ Static Dissipative Polycarbonate Products
AC300™ / AC350™ Static Dissipative Acrylic Products
PVC300™ / PVC350™ Static Dissipative PVC Products
CPVC300™ / CPVC350™ Static Dissipative CPVC Products
MarCon®550, FG MarCon®551, Dual Coat™, AG-400™, and AF-200™
Trim Fluid™
ABF-300™ Static Dissipative Adhesive Back Polyester Film
TMF-300™ Static Dissipative Polyester Plastic Film

Comply with the requirements of RoHS 3 (Restriction of Hazardous Substances) standards.

This certification is based upon review of our raw material and manufacturing processes and certifications from our substrate suppliers. Samples of ABF were tested by an outside testing laboratory. If you need additional information, please feel to contact us directly.

Sincerely,

Dennis Cobbin
Quality Manager
